

Dear Sirs,

Vessel: mv "Tomini Sincerity" IMO 9632806

Request for consuming HSIFO until receipt of bunkers at New Orleans

Kindly note that vessel arrived ECA zone on 6<sup>th</sup> of August 2018 at 04:30 hrs and changed to LSMGO.

During the day vessel was suffering from breakdown of engines and ever since had 3 seatrials. USCG have now confirmed number 4 Seatrial.

We are approaching you in order to ask for a waiver to consume HSIFO as vessel is running out of LSMGO. Prior vessels arrival we already stemmed bunkers to be delivered at New Orleans. Vessel had sufficient, but due to the prolonged stay at anchorage and within the ECA zone, vessel will run out of LSMGO unless, vessel will be allowed to enter the River.

It's a permission for about 24 hours for doing the seatrial and the sailing upto 12 mile anchorage, Mississippi River..

I'm presently working from home, but ask you kindly to advise which other documents are required, if any.
